**ATTACHMENT 2 - STATEMENT OF REASONS – TP03/23**

**NOTICE ABOUT DECISION - STATEMENT OF REASONS**

The following information is provided in accordance with section 63(5) of the *Planning Act 2016*

Development application TP03/23 was received from Bronwyn Smith for 3 Martel Crescent, Cloncurry also known as Lot 2 on RP909528 for a single storey structure (shed) 8m x 4m with a maximum height of 2.6m located 0.5m from the rear boundary and 0.5m from the western side property boundary, of the property.

On the 21 March 2023, the above development application was approved in full, with conditions.

**Reasons for the decision**

The proposed carport is a single storey structure with a maximum height of 2.6m which will have minimal impact on the subject site and adjoining property. The extent of non-compliance with the minimum setback of 0.5 metres is assessed as being unlikely to impact on the adjoining property in terms of amenity and privacy.

The proposal includes design and siting which provides a pleasant visual outlook and service functions of the occupants.

Includes appropriate level of privacy for occupants of adjoining properties.

There is no objection to the proposal from a planning viewpoint.

**1. Assessment benchmarks**

The following are the benchmarks applying for this development:

<b>Benchmarks applying for the development</b>	<b>Benchmark reference</b>
<b>Queensland Development Code:</b> <b>P2 Buildings and structures –</b> (a) provide adequate daylight and ventilation to <i>habitable</i> rooms; and (b) allow adequate light and ventilation to <i>habitable</i> rooms of <i>buildings</i> on adjoining <i>lots</i> . (c) do not adversely impact on the amenity and privacy of residents on adjoining <i>lots</i> .	The proposed shed is not considered to impact on access to natural light, sunlight and does not create overbearing development for the adjoining dwelling house nor their open space and does not impact on the amenity and privacy.
