

## EXCESS WATER CHARGES – FLOW METER TEST REQUEST FORM

### INFORMATION FOR RATEPAYERS

This form is used to request Council’s Plumbing Department/Authorised Contractors to conduct a flow rate test of your water meter. A **\$195.25** fee applies, which must be paid prior to the test being conducted. If your water meter reads correctly then you will forfeit the fee. However, should the test indicate that your water meter is faulty, the fee will be refunded to you.
